FARM ASSEMBLY PLANT ORGANIZED

RAY DAVIS OF BARNARD ELECTED SECRETARY.

OPENS IN TWO WEEKS

12 Farmers Produce Exchanges Form Company and will Build Cold Storage Plant.

Ray Davis, prominent farm club man and secretary of the Farmers Elevator Company of Barnard, has been elected secretary of a new farm organization at St. Joseph, the purpose of which is to operate an assembling plant for produce and later to become a cold storage plant. W. H. Goforth and Davis were present at a meeting held in St. Joseph. The officers are F. M. Rickman of Guilford, president; H. A. Ordning of Savannah, vice-president, and Ray Davis of Barnard, secretary.

There were twelve farmers produce exchanges of northwest Missouri represented at the St. Joseph meeting and there are five more already organized. The plan is to own and operate a plant for the assembling of small shipments of eggs and poultry purchased by farmers produce exchanges in the various towns of northwest Missouri and ship the produce out to the big markets in carload lots. It is expected that the assembling plant will be in operation within two weeks. A movement is on foot to build a cold storage plant in St. Joseph operated by the farmers.

F. G. Fulton of Gallatin, Mo., representing the Missouri Farmers' Association, was in Barnard Wednesday and was organizing a farmers produce company as an auxiliary of the Farmers Elevator Company. He stated that Arkoe was organizing a farm producing company and that Guilford had one already organized.

At a meeting of the directors of the Farmers Elevator Company Wednesday afternoon it was decided to put in a produce exchange at Barnard operated by the farmers. Robert Goforth, son of W. H. Goforth, was chosen as manager of the new business, and will begin work as soon as arrangements can be made. Goforth has been employed in the Cawood store for some time and comes well recommended. The elevator company will rent a building for the new business until they are able to build a suitable house near the elevator.—Barnard Bulletin.

Your county is first to pay into the treasury a portion of the annual dues in the Missouri Farm Bureau Federation. And one of your citizens, Mr. C. D. Bellows, was the first man in the state to deliver to my office one of the collateral notes for $100 which are to be used by the State Federation to secure immediately available money."

APPOINT HALASEY COUNTY ROAD SUPT.

WILL SUPERVISE ALL ROAD IMPROVEMENT FOR YEAR.

BONDS PAID NEXT YEAR

Present Plan is to Pay off Bond Issue of 1914 not Due Until 1929.

At a meeting of the township board yesterday afternoon, John Halasey was appointed to superintend all road work and improvements in Polk township for a term of one year. Heretofore, the board has been appointing nine road overseers for that many districts in this township but due to the fact that all of the overseers being farmers, when the roads were requiring attention they were busy with their crops.

The board intends to have Mr. Halasey busy all during the year. They have purchased a Ford ton truck so to haul tools, lumber and etc., over the township. His first work will be to gather all of the tools from the different road overseers and to have them in the township barn, built for that purpsoe.

The board is confident that with such a man as Mr. Halasey in charge much good work can be efficiently done and a saving made.

The township bond issue of $50,000 issued in 1914 and not due until 1929, will be paid next yea raccording to present plans. The bonds still remaining amount to $19,500 and $11,000 of this amount will be paid off March 1 this year, leaving only a balance of $8,500. This amount will be paid off next year.

WILSON BELIEVED TO SUPPORT HINES

CONFERENCE BETWEEN WORKERS AND PRESIDENT SHORT

TRADES DEPT. IN ACTION

Building Trades Workers Will Fight Proposed Strike of Maintenance and Way Men.

Washington, Feb. 13.—The president has reached a decision in the increased wage demands of the maintenance and way railroad workers. The conference between the president and representatives of the workers lasted less than ten minutes.

Timothy Shea, spokesman for the workers, declared they would consider what the president said and might make a statement later.

The president's decision will not be made public until the railroad workers have made a reply. Little doubt is expressed, however, that the president had sustained Hines' rejection of wage demands, but had softened the decision by offering numerous suggestions for relief.

The director general in his conference with the union heads told them that he could not grant their demands because of the early termination of federal control and explained that pending legislation, passage of which was expected, would set up machinery which would provide "impartial and unbiased" handling of the wage claims. The union arguments to this was that they were thus compelled to face another delay with no assurances of relief.

Washington, Feb. 13.—The proposed strike of the maintenance and way employes of the railroads will be fought by the building trades department of the American Federation of Labor, according to the announcement made by John Bonlin, head of that department, this afternoon.

HORSES AND MULES BRING BIG PRICES AT JEFFERS SALE

Highest Price Paid for Mule $510, Bought by Vern Fakes—$945 for Span

Clem Jeffers, the young farmer and stockman, 6 miles northwest of Hopkins, had a record breaking horse and mule sale last Monday, and he was entitled to have a good sale, for he is a good buyer and has made a market for the farmers of this vicinity as well as buying in other localities. He sold fifty eight head, 25 mules and 28 horses, and while the horse market is counted as "rotten," his offering brought $16,742.00, the horses making an average of over $425 a head and the mules between $200 and $500 a head, even if some of them were yearlings.

The high price for a mule was $510 bought by Vern Fakes and the high price for a span of mules was $945 bought by the same buyer.

A farmer by the name of Payton, of near Clarinda, bought the highest priced team of mules, paying $800 for them and also paid $425 for another span.

Many of the horses and mules went to the farmers of this vicinity, Charles Burns paying $445 for a span of yearling mules.

Col. Glen Bradley, of Corning, Iowa, did the selling and Foreman & Cummings worked in the ring and Mr. Jeffers is well pleased with the work of all three of them. Walt Pistole of the Farmers and Merchants bank, was clerk.

It was a wonderful sale, considering present conditions, and it will be made an annual event by Mr. Jeffers.—Hopkins Journal.

Essex Sets New World's Mark

Essex holds the world's official long distance endurance mark. A stock chassis made 3,037 miles in fifty hours in a test under A. A. A. observation on the Cincinnati Speedway. Though the test was equal to years of hardest road usage, the car showed no signs of wear.

An Essex stock car set the world's road mark of 1,061 miles in 24 hours, over rough Iowa roads and through a blizzard. Not a single adjustment was made.

And Essex also has set a world's sales record. Over 22,000 critical motorists paid more than $35,000,000 for Essex cars in a year. That shows how Essex beauty, performance, endurance and economy and moderate price are appreciated.

When shall we give you a demonstration?

A Coach of Beauty Adorns This Silent Chalmers

THE fine craftsmanship of coach building turned itself loose in this new appearing Chalmers. You observe a high front line and a low rear line, which a well known artist has said is the way a car should look.

You find nothing severe, however, about this Chalmers. It has a new elegance, a new grace; and yet a quiet reserve distinguishes the car from others.

Particularly does this appeal to you after you've been seated and touch your foot to the accelerator.

The silent flow of power, the notable harmony, the ease of the engine engage you.

And again you pay a compliment to Hot Spot and Ram's-horn, which tackle the low grade gas of the day and make it perform.

Thus the beauty which the eye sees is enhanced by the beauty of action of its master engine; and you, too, say with so many others that Chalmers surely is one of the few great cars of the world.

Social, Clubs Churches

Kihl Kare Club.

Miss Edna Zimmerman was hostess to a meeting of the Kihl Kare Club last night at her home. The evening was spent socially and refreshments were served by the hostess. Those present were Misses Maggie and Daisy Allen, Lois, Mildred and Doris Cummings, Ola Zimmerman, Myrtle Lanning and the hostess.

Farewell Dinner.

As Mr. and Mrs. M. L. Griggs of Guilford will soon move to Barnard, Mo., to make their home their friends and neighbors gave them a surprise party Sunday. At noon, a dutch treat dinner was served to the following people: Mr. and Mrs. L. E. Wales and son, Paul, Mr. and Mrs. Floyd Bowman and baby, Mr. and Mrs. Henry Hutson, Mr. and Mrs. Alva Manship, Harmey Wales and family, Alva Chivington and family, Roy Wales and children, Mr. and Mrs Okla Griggs and family, Ruth and Dannon Griggs and Glen Baker.

District President a Guest.

The increased and better work which may be accomplished by federated clubs or organized women, was the dominating thought of an address given yesterday afternoon by Mrs. L. S. Stubbs, president of the first district federation of Women's clubs of Missouri, at the February luncheon of the Twentieth Century club at the home of Dr. and Mrs. C. H. Coe on East Lawn avenue. The presidents, or a representative from all organized clubs in the county had been invited to the meeting but on account of the bad roads and general prevalence of influenza not as many came as were expected. The luncheon was served buffet style, at one o'clock by a committee of hostesses from the club, and the program followed. Other numbers on the program were a talk by Mrs. V. O. Garrett, chairman of the committee on beautification of Maryville who told of some of the plans for the spring clean up and beautifying campaign and what women hoped to accomplish in this line. Mrs. Harry Todd gave two vocal solos which were enjoyed very much. They were "Beautiful Dark Girl", an Irish love song and "My Own United States," Miss Betty Turner, secretary of the home service section of the Red Cross told of its work in reclaiming the disabled soldiers and those who were rejected from service on account of physical disability. The program as planned was to have been devoted to "Health", but on account of the absence of several of the members, some changes were made and the program varied. Mrs. Stubbs is personally known to many club women here through her attendance at the first district federation held in this city with the Twentieth Century club as host and through the various club interests of the district. She gave in detail in her talk many reasons why federated clubs could do great work, where individually they would fail, especially in the line of civic, and state benefit. The visiting club women present were Mrs. Stubbs, Mrs. J. J. Knabb of the Country club, Mrs. E. L. Crowson of Pickering, Mrs. Walter Mutz of the M. I. Circle, Mrs. Guy Mutz of the I. X. L. Club, Miss Mildred Miller of the Association of Collegiate alumni, Miss Betty Turner of the Nodaway county Red Cross chapter, Mrs. Joseph Jackson, Jr., of the D. A. R., Mrs. E. W. Babb of the Ireland Industrial club and Mrs. T. L. Wilderman of the P. E. O. chapter.

For Mrs. Caldwell.

Mrs. Edwin Fletcher Caldwell was the complimented guest at a bridge party given yesterday afternoon with Mrs. D. J. Thomas and Miss Clara Sturm as hostesses at the Thomas home on North Main street. Those in the receiving line were the hostesses, the honor guest and her mother, Mrs. George B. Baker. Red Candles, hearts and other adornments suggestive of Valentine's day were used in decorating. Miss Della Grems won the favor for high score. After the concluding game of bridge, a four course luncheon was served. Mrs. Thomas and Miss Sturm each presented the honorce with a nuptial gift. The out of town guests included Mrs. Walker Lee Campbell of San Francisco, Calif., Mrs. D. D. Hallan of Fort Collins, Colo., Mrs. M. G. Saunders of Pueblo, Colo., Mrs. Jesse Fremont Croan and Mrs. Margaret Tousey of Anderson, Ind.

Zero Dance.

The Oriental dance given last night by the members of the Zero club which was as novel, pretty and enjoyable as all other of the Zero dances have been. The W. O. W. hall where it was held, was brilliantly lighted with Japanese lanterns, and Japanese parasols and flowers made the room very Oriental in appearance. One of the features of the decorations was a red electrically illumined "Zero' and Schumachers orchestra was placed in a green bower which had the appearance of a vine covered summerhouse. A Japanese maid, Miss Josephine Wilderman, served punch to the guests. Among the out of town guests present were Mrs. L. S. Stubbs of Bethany, Roland Merrigan and Tom Brady of Conception, Byron Price and Kenneth Strawn of St. Joseph, Mr. and Mrs. J. L. Kraft of Cleveland, Ohio, Jim Stephenson, Gene Wagner and Joe Miller of Tarkio, Oliver Polk of St. Joseph and Claude Woods of Fairbury, Neb. About fifty four couples attended.

Ladies Aid Meeting.

Division 1 of the Ladies Aid Society of the First Methodist church entertained the other divisions and all the women of the church at a very interesting meeting held yesterday afternoon at the church. Short programme was given consisting of two readings by Mrs. C. G. Steimsmeyer, "Lincoln's Gettysburg Address" by Miss Ruth Houchens nd two vocal solos by Miss Mae Corwin. This was followed by a business session, the serving of refreshments and a social hour.

Dinner Party.

Mr. and Mhs. O. C. Hanna will be hosts at 6 o'clock dinner tonight at their home on North Main street. Covers will be laid for Dr. and Mrs. W. M. Wallis, Sr., Mr. and Mrs. Rodney Hamblin, Mrs. Agnes Dutton and the hosts.

DRIVE AWAY HEADACHE

Rub Musterole on Forehead and Temples

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once! Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.
Excellent for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, all pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).
30c and 60c jars; hospital size $2.50.

MUSTEROLE
WILL NOT BLISTER

DOES IT CATCH YOU —Right in the Back?

It may be that you are mysteriously attacked by pain in back, (lumbago), or limbs, "neuralgic" pains—shooting anywhere. Backache of any kind is often caused by kidney disorder, which means that the kidneys are not working properly. Poisonous matter and uric acid accumulate within the body in great abundance, overworking the sick kidneys. Perhaps you have become nervous, despondent, sick, feverish, irritable, have spots appearing before the eyes, bags under the lids, and lack ambition to do things. The latest and most effective means of overcoming such trouble, is to drink plenty of water between meals, and take a single Anuric (anti-uric-acid) Tablet before each meal for a while, or until recovered.

Carl Junction, Mo.:—"I have taken Dr. Pierce's Anuric Tablets and I am pleased to say that this medicine has cured me of kidney trouble and I am glad to recommend Anuric for kidney and bladder troubles."—H. L. LAWRENCE, Box 83.
Simply ask your favorite druggist for Dr. Pierce's Anuric Tablets (double strength) for the kidneys or send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package.

Mrs. Clara Buck, who has been ill for several days at the St. Francis hospital with influenza, was sufficiently recovered to return to her home last night.

BURGLAR ALARM PROTECTS HIS PRIVATE LIQUOR STOCK

New Bedford, Mass.,—An elaborate burglar alarm system has been installed in a lonely farm house in South Dartmouth to protect a priceless stock of liquor owned by Colonel Edward H. R. Green, son of the late Hetty Green.
The liquid treasure, which in the days of freedom was worth $40,000, according to antiquarians, is now beyond price, and no effort has been neglected in arranging for its protection.
Gongs that can be heard for a mile been installed in such a way that they will arouse the countryside upon the opening of a door or window. In addition, a caretaker and his family live in the house, which is a veritable arsenal.

Card of Thanks.
